STATEMENT OF FAITH

We Believe:

The Bible (that is the 66 books of the Old and New Testament) to be wholly and verbally God-given. It contains the whole counsel of God and all things necessary for man's salvation, and the believer's faith and life. We believe the canon to be complete with these 66 books. Scripture is without error or fault in all its teachings and in all matters it addresses. Therefore all "truth" is subject to its agreement with the Bible.

That God is one in essence and three in persons- Father, Son, and Holy Spirit. These three are co-substantial, co-eternal, distinct as to person and order, yet without any inequality.

Jesus Christ to be perfect man and very God. He is neither created nor made but is God assuming our flesh. Christ was born of the Virgin Mary and being God knew no sin and had no sin. We believe in his miracles, in his bodily death on the cross for our sins, in his bodily resurrection and ascent to the right hand of God the Father, and in his personal bodily return with power and glory.

That man was created without sin, but by voluntary disobedience fell from that state.

That the salvation of sinners is wholly a work of God's grace through our mediator Jesus Christ. He fulfilled the divine law by perfect obedience, gave his life for us on Calvary, and was raised from the dead providing full redemption for our sins. By a repentant faith in the finished work of Christ, we are saved. Salvation is the righteousness of Christ, imputed to us by God, received through faith alone and not by any meritorious work.

In the personhood and present ministry of the Holy Spirit. Such ministry is primarily in two spheres:

1. In the unbeliever He convicts the sinner of his sin.
2. In the believer He accomplishes
 - a. the work of regeneration by which eternal life is imparted and a new nature acquired.
 - b. the work of Spirit baptism in which all believers are spiritually united with Christ.
 - c. the work of indwelling by which the Spirit enters in to permanent intimacy and union with each believer.
 - d. the work of filling by which each believer receives the power for holy living as a result of the control of the Spirit in his life.
 - e. the work of distributing gifts. The Holy Spirit distributes gifts as He wills, the church gives recognition and supervision.

In the bodily resurrection of both the saved and the lost: they that are saved unto the resurrection of eternal life with Christ, and they that are lost unto the resurrection of eternal damnation in the Lake of Fire.

In the universal body of the redeemed, who have been elected by God before the foundation of the world and called with a holy calling. This body cannot fail but will endure forever.

That there should be unity in the essential doctrines of the faith and charity in the nonessentials.

(Sanctity of Life) We believe that life, created by God and for his glory, begins at conception and continues until natural death. God has created man in his image and values each life as sacred and holy. God knows his children and they are his workmanship. Therefore, any attempt to end life after conception is against God's design.

(Lifestyle Statement) We believe that God wonderfully and immutably creates each person as male or female. Together these two distinct, complementary genders reflect the image and nature of God. Therefore, we believe that one's biological sex is to be respected and not altered. Furthermore, we believe that the term "marriage" has only one meaning: the uniting of one man and one woman in a lifelong, exclusive union. We believe that the union of marriage is intended to be severed only by death and that divorce is only permissible in certain exceptions. Accordingly, we believe that God only permits sexual intimacy to occur only between a man and a woman who are married to each other. We acknowledge that we exist in a fallen world with contrary ideas about marriage, sexuality and conduct, and we respect the fact that all struggle with desires contrary to God's will. However, God calls all to holiness and self-control and provides believers the empowerment to do so. Conversely, any sexual activity outside of marriage is sinful and offensive to God.

I agree with Greenview Bible Camp's Statement of Faith (If you disagree with any part, please explain)
